Board of Trustees Removes “Interim” Designation from President

The “Interim” designation was removed from President John Haynes’ title during the January 19, 2017 Board of Trustees meeting. The vote was unanimous.

“John Haynes has demonstrated his leadership abilities at Oak Ridge Military Academy during the past year” said Dr. Woody Gibson, Chairman of the Board.

“Since President Haynes was hired in January 2016, financial donations are up, enrollment is trending upward, programs for the cadets have been implemented, and the Academy and its cadets have benefited. The removal of the “interim” label is a signal from the Board of Trustees that it believes in the leadership provided by President Haynes.”
